Outline

Dr. John Townsend presents “12 Christian Beliefs That Can Drive You Crazy”. Chapter 11: Just doing the right thing is more important than why I do it.

Small group discussion questions:

#1) When have you been so afraid of God that you were unable to ask “why?” Why were you afraid?

#2) Have you ever tried to connect deeply with someone who compulsively looks at things on the outside, yet is afraid to look inside? What happened?

#3) What do you need to ask God about right now? Does it involve something He wants you to do? How will you prepare yourself for His answer?
