Outline

Dr. John Townsend presents "12 Christian Beliefs That Can Drive You Crazy". Chapter 8: "Shoulds" are good.

Small group discussion questions:

#1) How have the "shoulds" shut down your desire to live and love God?

#2) If we really are free from these "shoulds" through Christ, why don't we feel it?

#3) Look at your calendar three times this week and say to yourself, "Even if I didn't do one good thing here, I would still be loved and not condemned."
