**Notes & Comments**

Title: Lists the titles of all the products in the store (excluding the workshops). A blue title is a proven resource for small group studies, bible studies, discussion groups, etc.

Subject Matter: "YES" - the subject matter is a major theme of the corresponding title. "Y" - the title is a good resource for that subject matter.

Forms of the Products: Indicate the available forms of each title (i.e., book, video, etc.), and the store section where they are located. Section 2 ("S2") has books, books on CD, and workbooks. Section 3 ("S3") has DVDs. Section 4 ("S4") through Section 7 ("S7") has products downloadable from website. Note: Any downloadable material is available, by special order, on DVD or CD for an additional \$10. Please call us to request special orders.

Note 1 - The Boundaries series is offered in the following two versions:  
*The "Original" Boundaries series (found in Section 3 of the store), Drs. Cloud and Townsend present the material together, in front of a live audience in 1994. The DVDs contain eight half hour sessions and the kit comes with a facilitator guide.*  
*The second Boundaries series (found in Section 4 of the store), Drs. Cloud and Townsend alternate teaching the material in a studio in 2012. The DVD contain eight half hour sessions.*
