

Session One Webinar Assignment and Resources

Assignment

- Think and discuss with your partners (coach, mentor, group, friend) how your past relates to the Laws of The Gap. Where has guaranteed failure been what has been tried? How would have Open System Change looked different?
- Look at your history in the areas you want to change. What have the patterns of failure been?
- What has been the real investment of resources? What are you willing to do now?
- What are your beliefs that have dominated? How powerful have the three P's been?
- What is your specific vision, goal(s) or change that you want to make?
- Where will you get the energy?
